Data from members of the public is collected only by Army law enforcement authorized personnel. The frequency of sex offender registration with the Provost Marshal Office (PMO) is not under the control of any Army law enforcement personnel, it is the responsibility of the sex offender who lives or works on the Army installations to follow Army policy and report to the PMO within 3 working days of assignment to the installation. Sex offenders could live or work on an Army installation and live in government housing near schools or daycare without Army law enforcement's knowledge. Army law enforcement would be less able to complete its mission to provide security and law enforcement to safeguard personnel living and working on Army installations.
